THE COMMENCEMENT

PROCESSIONAL

NATIONAL AIR

Oh, say can you see, by the dawn's early light,
 What so proudly we hailed at the twilight's last gleaming,
 Whose broad stripes and bright stars, through the perilous fight,
 O'er the ramparts we watched were so gallantly streaming?
 And the rockets' red glare, the bombs bursting in air,
 Gave proof through the night that our flag was still there.
 Oh, say does the Star-Spangled Banner yet wave
 O'er the land of the free and the home of the brave?

Oh, thus be it ever when freemen shall stand
 Between their loved home and wild war's desolation;
 Blest with vict'ry and peace, may the heav'n-rescued land
 Praise the Pow'r that hath made and preserved us a nation!
 Then conquer we must, for our cause it is just.
 And this be our motto: "In God is our trust!"
 And the Star-Spangled Banner in triumph shall wave
 O'er the land of the free and the home of the brave.

INVOCATION.....THE REVEREND HARRY A. BREWER

HYMN.....A Mighty Fortress Is Our God

A mighty fortress is our God,
 A bulwark never failing;
 Our helper He, amid the flood
 Of mortal ills prevailing.

For still our ancient foe
 Doth seek to work us woe;
 His craft and pow'r are great;
 And, armed with cruel hate,
 On earth is not His equal.

Did we in our own strength confide,
 Our striving would be losing,
 Were not the right Man on our side,
 The Man of God's own choosing.

Dost ask who that may be?
 Christ Jesus, it is He;
 Lord Sabaoth His name,
 From age to age the same,
 And He must win the battle.

ADDRESS.....EDWARD RAYMOND BURKE, B.A.

CONFERRING OF HONORARY DEGREES

HYMN—America

My country, 'tis of thee,
Sweet land of liberty
Of thee I sing;
Land where my fathers died,
Land of the pilgrim's pride,
From every mountain side
Let freedom ring.

Our father's God to Thee,
Author of liberty,
To Thee we sing,
Long may our land be bright
With freedom's holy light;
Protect us by Thy might,
Great God, our King.

CHARGE TO THE GRADUATING CLASS.....THE PRESIDENT

DELIVERY OF DIPLOMAS

BENEDICTION.....THE REVEREND GORDON PHILLIPS

UNIVERSITY HYMN(Words and Music on Page 3)

Note—The distinctive colors in the hoods and the tassels of the caps accord with the following table:

Liberal Arts	White	Medicine	Green
Theology	Scarlet	Dentistry	Lilac
Law	Purple	Commerce	Drab
Philosophy	Blue	Speech	Silver-Gray
Science (incl. Engin'g)...	Gold-Yellow	Education	Light Blue
Music	Pink	Journalism.....	Black and White

The tassels on the caps of the Seniors indicate by this table the nature of their degrees. In the hoods of the faculty and guests the color of the velvet border indicates the type of degree, while lining of the hood shows the colors of the university which bestowed the degree.

HONORARY DEGREES

DOCTOR OF LAWS—Arlo Ayres Brown

Graduate of Northwestern University in the College of Liberal Arts of the Class of 1903 and of Drew Theological Seminary in 1907; President of Drew University and Theological Seminary; for eight years President of the University of Chattanooga; Chaplain in the United States Army in over seas service with the rank of Captain; a Commissioner of the Laymen's Foreign Missions Inquiry; Member of the Commission on Courses of Study and of the University Senate of the Methodist Episcopal Church; Member of the International Council on Religious Education; a scholar and administrator in educational affairs of rare ability.

*Presented by Professor Thomas Franklin Holgate,
Dean Emeritus of the College of Liberal Arts*

DOCTOR OF LAWS—Edward Raymond Burke

United States Senator from Nebraska; a lawyer whose unselfish devotion to the best interests of the state led his fellow citizens to elect him to the high office he now holds; and a statesman who, by placing devotion to the law above all lesser allegiances, and by fearlessly defending the constitutional foundations of our government, has won the gratitude of a nation.

*Presented by Professor Franklyn Snyder, Vice-President
and Dean of the Faculties*

DOCTOR OF SCIENCE—Vladimir Nikolaevich Ipatieff

Distinguished chemist and teacher, noted author, pioneer and leader in the field of high pressure catalysis; the recipient of honorary degrees from the Universities of St. Petersburg, Munich and Strassbourg; honorary member of the Deutsche Chemische Gesellschaft and Göttingen Academy of Science; Commander of the Legion of Honor; a former Lieutenant General in the Russian Army (in charge of all chemical defense of Russia during the World War) and holder of the highest decoration of Tsarist Russia; recipient of the Berthelot Medal of France and of prizes given by the Russian Chemical Society and the Russian Academy of Sciences; former President of the Central Chemical Bureau and founder of the High Pressure Institute in Moscow; recipient of the Lenin Prize; Director of Research at the Universal Oil Products Company and lecturer at Northwestern University. A great scientific genius, unbowed by adversity and beloved by all, he still carries on in his adopted country.

Presented by Professor Ward Vinton Evans

DOCTOR OF SCIENCE—George Vest McCauley

An enthusiastic and lifelong student, a man whose clarity of mind, quiet modesty and sound judgment have placed him in positions of high responsibility; twice on the faculty of an important university, a member of a leading governmental scientific bureau, and latterly with one of our great scientific corporations, where he was at once recognized for his mastery of ceramics, his experimental skill and his knowledge of men. In his hands was placed the designing of the mould and the casting of the great mirror for what bids fair to be the most powerful telescope of all time.

Presented by Professor Emeritus Henry Crew

DOCTOR OF LAWS—Albert Arnold Sprague

An outstanding business executive whose directing genius has been associated with numerous commercial enterprises of national significance, and whose contributions have been large in making Chicago an important mercantile center; a soldier who has served his country in time of need; a prominent citizen who has always found time for active participation in every worthwhile civic venture, and one of the very small group of men who have made Chicago a truly great place in which to live.

*Presented by Professor Fred Dow Fagg
Dean of the School of Commerce*
